*Reports – Invoice
Tab Regions*

CGDP Portal DPP-Sponsors Tabbed, Calendar and Report Type Regions

The first three regions of the **Reports** tab are the **Tabbed region**, the **Current Cutoff Calendar region** and the **Reports Type Selection region**:

Current Cutoff Calendar	
Reporting Period	201404
Invoice Paid by	03/11/2015
Invoice Distribution	01/31/2015
Dispute Submission	04/02/2015
Dispute Distribution	06/01/2015

The **Tabbed region – Reports** provides access to the **Reports** tab to review the different invoice related reporting data.

The **Reports Current Cutoff Calendar region** displays pertinent program dates for the applicable reporting period. The calendar updates each quarter to provide the active reporting period date information.

The **Reports Type Selection region** provides a user with five selections to display or download distributed files and reports. The following slides will describe the five types of report selections available.

In this example the **Reports** tab is active, the **Reports Current Cutoff Calendar region** displays program dates for the 4th quarter of 2014 and the **Reports Type Selection region** radio button is populated for Invoice reports.

CGDP Portal DPP-Sponsors Reports Type Selection Region

The third region of the **Reports** tab, the **Reports Type Selection region**, provides six types of report selections for Sponsors to utilize.

The first two types of Reports defined are the Invoice and Batch reports.

- Invoice reports: allows the user to select and view distributed invoice line item summary reports. The report provides abbreviated summary information for distributed invoice line item totals and allows the user to download the collected information for review.
 - The default selection for the **Report Type Selection region** is Invoice.

- Batch reports: provides the user with reports containing uploaded batch file results when utilizing the **Payment Initiation Upload** process. The user is able to view batch file status for successful upload, partial upload or failed batch file uploads and review errors associated with failed records.
 - *Batch reports will be presented in a separate training session.*

CGDP Portal DPP-Sponsors Reports Type Selection Region (continued)

The final four **Reports Type Selection region** reports defined are Data, Tracking, Dispute and Manufacturer 1099 Information reports.

③ Invoice Data Dispute Tracking Batch Manufacturer 1099 Information

- Data reports: provides the user with reports containing detail information of the PDE's combined to create the total invoice line item amounts distributed to the Sponsor.

③ Invoice Data Dispute Tracking Batch Manufacturer 1099 Information

- Tracking reports: allows the user to view the cumulative benefit year reports that provide the status of each Gap Discount PDE saved in the CMS database.

③ Invoice Data Dispute Tracking Batch Manufacturer 1099 Information

- Dispute reports: allows the user to submit disputes and review reports for the status of submitted disputes.

③ Invoice Data Dispute Tracking Batch Manufacturer 1099 Information

- Manufacturer 1099 Information reports: allows the user to view the 1099 information formerly collected in the EFT File.

CGDP Portal DPP-Sponsors Reports Filter – Summary Region

The fourth region of the **Reports** tab, the **Reports Filter – Summary region**, displays when the Invoice, Data, Dispute or Tracking radio button is selected in the **Reports Type Selection region**.

The **Reports Filter – Summary region** contains the following two fields to assist with narrowing distributed invoice search criteria.

④ 

- Parent Org. ID: defaults to the Parent Organization ID utilized to access the Portal.
- Contract: displays the Contract Number for distributed invoices. The drop down list provides update capability to select another Contract Number from those assigned to the Parent Organization ID.

In the example the Parent Org. ID field displays the default Parent Organization ID used to access the Portal and the Contract field displays the default of 'ANY'.

CGDP Portal DPP-Sponsors Reports Filter Results – Summary Region

The fifth and final region of the **Reports** tab, the **Reports Filter Results – Summary region**, displays when the **Invoice** radio button is selected. This region provides information on summary reports based on selections made in the **Reports Filter – Summary** region.

	S5__8	201404	12/19/2014	<input type="radio"/>	

This region contains the following six fields used to review information of distributed invoices and allows the user to download the summary information for review.

- Parent Org ID: defaults to the Parent Organization ID utilized to access the Portal.
- Contract Number: displays a specific Sponsor Contract Number or all Sponsor Contract Numbers associated with the Parent Organization ID.
- Reporting Period: displays the distributed invoice information by reporting period in YYYYQQ format.
- Date Loaded: displays the invoice distribution date. This date corresponds to the end of month following reporting period closing. Date format is DD/MM/YYYY.
- Download: displays radio button to allow downloading of distributed invoice information loaded to the system.
- Last Downloaded: displays the last date and time distributed invoice report data retrieved from the Portal. Date format is YYYY/MM/DD. Time format is HH:MM.
